Re: Amendments to the Jackson County Circuit Court Supplementary Local Rules

Dear Counsel:

Enclosed please find a copy of the "Jackson County Circuit Court Supplementary Local Rules". This document incorporates the proposed changes to our local rules. Also enclosed for the Bar's convenience is a listing of the proposed changes.

The presiding judge of each judicial district is required to present any proposed changes to these rules to the State Court Administrator's office by September 1. If any member of your association has any comments regarding the proposed changes, they must be submitted prior to September 1, 2005. Any comments should be addressed to me as I am a member of the UTCR Committee, which also reviews SLR's.

Sincerely,

Lorenzo A. Mejia
